

Meeting of the North British Functional Analysis Seminar

Aline Bonami (Université d'Orléans)

*Factorization of analytic functions
and L^p estimates for Hankel operators*

(Syddansk Universitet, Odense) **Uffe Haagerup**

*Approximation properties for groups and
von Neumann algebras / The Thompson groups
 F , T , V and their C^* and von Neumann algebras*

13 March 2015, 15.00 – 17.30

International Centre for Mathematical Sciences, Edinburgh

14 March 2015, 9.30 – 12.00

Appleton Tower, University of Edinburgh
